

Northwest Society of Plastic Surgeons

61st Annual Meeting
Fairmont Hotel and Resort
Whistler, Canada

Welcome!

Dear Members, Colleagues, Friends, and Guests,

It is my pleasure to welcome you to the 61 st Annual Meeting of the Northwest Society of Plastic Surgeons in beautiful Whistler, BC. The process of rebounding from Covid-related disruptions has been challenging, but this year's meeting is a testament to the strength of the society and the engagement of its members.

The meeting agenda will be varied and engaging, with new clinical techniques, creative thinking concepts, and key patient and business relationships all thoroughly explored.

I am thrilled to introduce our keynote speakers: the esteemed Chairman of the University of Michigan Plastic Surgery Department Chairman, Dr. Paul Cederna, and the talented and experienced Jonathan Andrews, JD, LL.M whose law practice focuses on mediation and labor and employment law. Each will generously share their expertise to help us tangibly expand our capabilities.

We will be joined by multiple esteemed representatives of our national societies. Dr. Howard Levinson, President of the Plastic Surgery Foundation will be representing ASPS. Dr. Melinda Haws, President Elect of ASAPS will be representing ASAPS. Dr. Steven Morris, current CSPS President, will be representing CSPS. Our very own board member, Dr. Nancy Van Laeken, the immediate past President, will be representing CSAPS.

I am confident that this diverse group of distinguished speakers will provide something of interest for everyone each day of our conference.

So many thanks to our exhibitors and their corporations that provided financial support for our meeting. Without their backing, a meeting of this caliber would not be possible. Please take time to visit each booth and express our appreciation for their support.

Between educational sessions, Whistler has innumerable activities, regardless of your preferences, or the snowpack. In addition to excellent dining, art, and shopping, you can explore the following options for adventure activities.

<https://tagwhistler.com>

<https://www.whistlerblackcomb.com/explore-the-resort/activities-and-events/events.aspx>

<https://www.blackcombsnowmobile.com/>

<https://www.canadianwilderness.com/>

Finally, I would like to thank our Executive Director, Deci Evans. She has been integral to the execution of this meeting and, as we grow and evolve into the future, her organization and expanding knowledge of our society will continue to help us flourish.

Welcome,
Emily A. Williams, MD
President 2023, NWSPS

Special Meeting Information

Breakfast and break refreshments are limited to registered meeting attendees and sponsoring exhibitors only. We are sorry that family, friends and staff will have to dine elsewhere.

Allergan is sponsoring a cocktail social hour Sunday from 4:30-6:00 in the Macdonald A. Please stop by and meet the leadership and representatives of our most supportive exhibitor.

The Business Meeting will be held on Monday at 4:30 following the educational session. Members, please plan to attend.

INVITED GUEST SPEAKERS

Paul Cederna, MD

Paul Cederna, M.D. is the Robert Oneal Professor of Plastic Surgery, Chief of the Section of Plastic Surgery, and Professor in the Department of Biomedical Engineering at the University of Michigan who specializes in reconstruction of complex wounds.

Jonathan Andrews, LLM

Jonathan Andrews, LLM is an expert in mediation and conflict resolution who will be providing us with tangible and actionable techniques that will help us with the inevitably stressful “unhappy patient” interactions as well as other areas of conflict with partners or healthcare systems.

STATEMENT OF PLANNER/SPEAKER DISCLOSURES

All speakers are instructed not to discuss off-label use of any product or any investigational products (non-FDA approved).

Melinda Haws, MD	Strathespey Crown Allergan InnovateU (Revance) Sientra	Shareholder Advisory Panel Former Medical Director Speaker Educational Advisor, Shareholder
Chris Nichols, MD	Apyx Medical Corp.	Apyx funded the study: equipment, pathology costs, etc. We obtained independent IRB approval, performed the cases at our facility, collected the data, compiled results, and submitted for publication independent of Apyx.
Howard Levinson, MD	Deep Blue Medical Advances	Shareholder
Drew Taylor, MSc, PhD	Acorn Biolabs	Shareholder, Founder, CEO, Employee
Christopher Pannucci, MD	Mentor	\$17,000 research grant - unrelated research project-direct funds

The following Chairs, Speakers, Authors, Moderators, Reviewers, Committee Members and other appropriate individuals reported they have no relevant financial relationships to disclose:

Jonathan Andrews, LL.M	Derek Fletcher, MD	Rikesh Parikh, MD
Ed Buchel, MD	Brynn Hathaway, MD	Dylan Singh, Med. Student
Samantha Burch, Med. Student	Shanique Martin, MD	Lisa Lynn Sowder, MD
Earl Campbell, MD	Ben Massenburg, MD	Nancy Van Laeken, MD
Paul Cederna, MD	Neil McLean, MD	Emily Williams, MD
Shannon Colohan, MD	Steven Morris, MD	Jon Scott Williamson, MD
Mia Do, Med Student	Chris Nichols, MD	Dan Zegzula, MD

PROCEDURE FOR FILING YOUR CME CREDITS

To claim CME credits, you must complete the short evaluation form located online at

<https://forms.gle/1Pd4TSkweL2jGrCa7>

Physicians should only claim the credit commensurate with the extent of their participation in this activity. This is the only method by which your credits are earned. The form will require your name and Aesthetic Society member ID if you have it. Please complete this form by the deadline of **March 15, 2023**.

HISTORY OF THE NORTHWEST SOCIETY OF PLASTIC SURGEON

Founded in 1962*

Plastic surgery in the Pacific Northwest was first practiced as a specialty by Dr. Adelbert Bettman, who began his practice in 1911. As was common at that time, Dr. Bettman was not a graduate of a residency program, but visited Drs. Staige Davis in Baltimore, and Vilray Blair in St. Louis, and did limit his practice to plastic surgery. Whether he, or Dr. Bames of Los Angeles, was the first plastic surgeon on the West Coast, is open to conjecture, as is the fact that he may have done the first face lift in the United States. He utilized horse hair as suture material well into the sixties, and was known for his gauze, which was Scarlet Red, and oxyquinoline sulphate and in his treatment of burns with 5% Tannic Acid, followed by 10% Silver Nitrate.

The arrival of trained plastic surgeons began in 1937 with Dr. Charles Gurney who opened his practice in Portland, Oregon, having trained with Gillies in England, and with Gordon New at the May Clinic. Also in the late thirties, and early forties Edward Olin Schreiner began practice in Seattle. Walter Scott Brown began his practice in Seattle, though no a trained plastic surgeon, he limited his practice to the specialty. Others who began practice in the northwest near the end of World War II, and shortly thereafter were, Robert Langston of Vancouver, British Columbia, followed by his residents: Dr. Bob Cowan and Joe Badre, in Portland: Drs. Dan Stefanoff, Willard Rowland, and Vern Lindgren. In 1947, Ed Hamacher began working in Spokane, in 1948, Dr. Ernest Banfield

began in Tacoma, in '40s and '50s, Drs. Carl Chisholm and Matt Pilling began working in Seattle, and Dr. David Sullivan in Spokane. 1951 saw Dr. Dun Kavanaugh begin practice in Portland.

*Prior to the formation of the Northwest Society of Plastic Surgeons, there was a group known as the Pacific Northwest Society of Plastic and Reconstructive Surgeons, which took place in the Heathman Hotel in Portland, Oregon on March 27, 1952, with Dr. Bettman as its' president. They had an organizational meeting and signed articles of a constitution on April 5, 1952, at the University of Oregon Medical School.

There were twenty in attendance at that meeting, which included in addition to the plastic surgeons, some pediatric surgeons from the Seattle area, and an otolaryngologist, also from the Seattle area, who limited his practice to the same field of interest.

This organization held meetings annually from 1952 through 1960, and was dissolved in 1961 on the recommendation of an attorney retained by the group. It was suggested that the by-laws be re-written to comply with our American Society of Plastic and Reconstructive Surgeon's constitution and by-laws, which would limit active membership to board certified plastic surgeons. The initial meeting of this organization was held at the Empress Hotel in Victoria, B.C. In 1962, presided over by, then president, Williard Rowland.

Since that time, The Northwest Society has held

annual meetings at various locations throughout the northwest, the April 1973 meeting being held in conjunction with the California Society, on Maui, Hawaii which must have stimulated the interest in the group from the Hawaiian members that were present because at the 20th annual meeting, held at the Sheraton Maui Hotel, the Hawaiians joined the Northwest Society. Whereas the original Northwest meant at first, only Oregon, Washington, and British Columbia, it now encompasses, Idaho, Montana, Alberta, Saskatchewan, Alaska, and Hawaii, and has approximately 150 active members and a growing list of honorary members who have been guests to our annual meetings.

Respectively submitted,
Linton G. Weed, M.D.
Historian, Northwest Society of Plastic Surgeons

LEARNING OBJECTIVES

What are the objectives? They must be specific, measurable and bridge the gap between the identified gap(s) and desired outcome.

1. Education regarding advances in current surgical techniques
2. Education regarding various systems-level relationships among physicians and mid-level providers, physician teams and/or physicians and health care systems to enable improved efficiency and efficacy
3. Education regarding management of relationships and conflict resolution, i.e. with unhappy patients vs. partners vs. health care systems
